COMMENTS FROM THE TOWN MANAGER'S OFFICE

Continuation of comments from last week concerning the Bethel Common.

From the language of the deed you will note that there can be no buildings erected on the Common. That it may be used for training, obviously referring to a company of militia, which was common to most towns in those days.

Your municipal officers have the control and handling of all municipal property, exclusive of the schools, this would therefore include the Common. It is within the jurisdiction of your municipal officers to determine the use of the Common in accordance with the terms of the deed.

A copy of the deed is now on file at the Town Office for reference and any interested persons are welcome to look at it at any time.

Persons interested in employing the town to tar their driveway should make a request in writing to the Town Office on forms provided by the town. Requests should be made no later than June 7th.

There has been enough hot rod driving on the airport last fall and again this spring to warrant erecting a fence to keep off all unauthorized vehicles. The fence is erected in the cleared area close to the hangar so that several vehicles may be parked. There is an opening in the fence to permit foot travel. The gate will remain locked at all times and only authorized persons will be permitted entrance to the airport runway with their vehicles.

Sincerely,
Harold L. Bean

SUPPER AND PARTY NET JUNIOR BASEBALL \$118

The Bethel Junior Baseball Club wishes to express their appreciation to the many committees who have worked the past few weeks on projects for the club.

Mary Angevine and Mary Paine and helpers served a fine pot luck supper. Richard Waldron, Harold Rolfe, Harold Young, Bud Paine, and Ernest Perkins managed a game party at the Legion Rooms. From these two projects, \$118.10 was earned.

The club wishes to thank, also, the businessmen for their donations of money and prizes, and the mothers for the fine cooked food that they contributed.

Haakon Olson and his volunteer assistants deserve praise for the construction of the home-run-fence on the Bethel Midget Field.

New recruits in the program are Terry Wilson, Richard Tibbetts, Vance Greenwood, Paul Salway, Michael Colburn, Alden Mason, David Huard, Harold Clough, Leo Buck, Jack Cross and Peter Davis.

SWIMMING CLASSES TO START JULY 5

The Red Cross Swimming Classes have been scheduled to start July 5, 1960, in order not to conflict with the Summer Bible Classes, and will end Aug. 12.

The Chapter is sending David W. Brown of Norway High to Aquatic School to prepare him to instruct the Bethel Group. Applications will be offered through the schools as usual.

Regrettably the bus will not be available for the East Bethel classes. They will have to arrange their own transportation at least to the Community Room.

The Men's Brotherhood of the Methodist Church met Tuesday evening at the church for a supper served by Stanley Brown and James Brown. The next meeting will be June 23 with a family picnic at the John Greenleaf camp at Songo Pond.

1st Choice Car
for the things you want

This is the Kingswood 4 Door
9-Passenger Station Wagon

With wagons like this one in the lineup, it's no wonder Chevrolet is the most popular car in the whole U. S. All five Chevy wagons, 6- and 9-passenger models, are widest where wagons should be wide—with comfortable seating space that becomes up to 92-cu. ft. of cargo area by a simple adjustment. All five feature all the things that are making Chevrolet first choice, too: FULL COIL SUSPENSION cushioning all four wheels... an ECONOMY TURBO-PINK V8 that gets up to 10% more miles to the gallon on regular gas, or that well-known saver, the HI-THRIFT... the shift-free smoothness of TURBOGLIDE... a wider front seat and more entrance height in Chevy's ROOMIER BODY BY FISHER than you'll find in any other car of the leading low priced 3. Now's the best time to stop by and let your dealer list all the reasons why YOU CAN'T BUY ANY CAR FOR LESS UNLESS IT'S A LOT LESS CAR! *Based on 1960 model.

POLICE ADVISE: DON'T MAKE UP TIME ON ROAD

"An early start is a safe start," the State Police tell us. The enforcement group was stressing the advisability of getting started early on that vacation trip, in order to avoid the temptation to "make up" time on the road.

"Before starting out," they suggest, "check the routes you will be traveling and plan your schedule so that you can get a full night's rest after each day's driving. Start fresh each day."

The correct placing of vacation luggage was another factor stressed by the police, who warned that such equipment should be so packed that it will not interfere with the driver's vision in the rearview mirror.
